Observations

ADDITIONAL INFORMATION: The final mark will be the weighted average of the results obtained in each of the projects, conditional to having passed them individually with a minimum mark of 5. All the projects will have a deadline to be done and handed in. The written assignments such as Reports / Portfolios, will be assessed according to the document “Level C1 (Common European Framework of Reference for Languages) in the Teaching Degree Preschool and Primary”. Practical activities can be recorded in order to produce evidence for the assessment.

CRITERIA FOR MENTION OF DISTINCTION: The mention of Distinction will be awarded to students who have achieved a score equal to or greater than 9.0. According to the legislation, one mention of Distinction can be granted per 20 students or fraction. (Royal Decree 1125/2003).

SINGLE ASSESSMENT: Exceptionally, those students who, in a justified and accredited manner, are unable to undergo the continuous assessment system and request it to their teacher within the first month of each semester, may opt for this assessment system. In this case, they will be assessed in the following way:

- Completion of a theoretical-practical report on the aspects dealt with in the subject. (According to the UCV assessment regulations, the single assessment consists of a set of papers and/or exam/s that allow the student to assess the acquisition of all the

competences of the subject by the student, and must be agreed upon by the teaching team of the subject).

CRITERIA FOR THE AWARDING OF HONOURS:

In accordance with the regulations governing the assessment and grading of subjects in force at UCV, the distinction of "Matrícula de Honor" (Honours with Distinction) may be awarded to students who have achieved a grade of 9.0 or higher. The number of "Matrículas de Honor" (Honours with Distinction) may not exceed five percent of the students enrolled in the group for the corresponding academic year, unless the number of enrolled students is fewer than 20, in which case a single "Matrícula de Honor" (Honours with 9 Distinction) may be awarded. Exceptionally, these distinctions may be assigned globally across different groups of the same subject. Nevertheless, the total number of distinctions awarded will be the same as if they were assigned by group, but they may be distributed among all students based on a common criterion, regardless of the group to which they belong. The criteria for awarding "Matrícula de Honor" (Honours with Distinction) will be determined according to the guidelines stipulated by the professor responsible for the course, as detailed in the "Observations" section of the evaluation system in the course guide.
