Assessment system for the acquisition of competencies and grading system

In-class teaching

Assessed learning outcomes	Granted percentage	Assessment method
R2, R3, R4, R5, R7, R8	20,00%	Attendance and performance of guided activities in the practice center.
R1, R2, R3, R4, R6, R7	40,00%	Attendance and performance of guided activities in the practice center.
R1, R2, R3, R4, R6, R7, R8	40,00%	Monitoring and tutoring of the Practicum.

Observations

Attendance and participation in practical seminars: · Adequate and participative follow-up in the theoretical training seminars through the forums · The delivery of the corresponding documentation is mandatory to validate the stay at the internship center. Monitoring and tutoring of the Practicum, including assignments and reports: ·Delivery of the didactic sequence (Task 1) and reflection on the practices (Task 2). final memory. Self appraisal. Attendance and performance of supervised activities in the practice center: ·To academically overcome these practices, the judgment about the work and student performance issued by the EXTERNAL TUTOR (teacher assigned/or at the EDUCATIONAL CENTER) is the most valid, since he is the one who can daily observe the achievements acquired by him during the practices; thus, it is decisive for the evaluation. Therefore, if the CENTER REPORT is not satisfactory (pass), the student will have to repeat their PIII in the following course. ·Self appraisal. NOTE: To pass the subject, the student must pass each of the sections that make up the Practicum III subject. The negative evaluation in two consecutive registrations of the subject will give rise to a specific orientation and follow-up from the Practice Commission, as stated in the Practice Regulations of the Faculty of Teaching and Education Sciences. CRITERIA FOR THE GRANTING OF HONORS: The Honors, as a sign of academic exceptionality, will be awarded to the student who, in addition to obtaining a maximum grade in the previous criteria described, considers the teacher to be deserving of such distinction. And, in accordance with the general regulations that indicate that one honor registration can only be given for every 20 students, not for a fraction of 20, with the exception of the case of groups of less than 20 students in total, in which it can be given a license plate

CRITERIA FOR THE AWARDING OF HONOURS:

In accordance with the regulations governing the assessment and grading of subjects in force at UCV, the distinction of "Matrícula de Honor" (Honours with Distinction) may be awarded to students who have achieved a grade of 9.0 or higher. The number of "Matrículas de Honor" (Honours with Distinction) may not exceed five percent of the students enrolled in the group for the corresponding academic year, unless the number of enrolled students is fewer than 20, in which case a single "Matrícula de Honor" (Honours with 9 Distinction) may be awarded. Exceptionally, these distinctions may be assigned globally across different groups of the same subject . Nevertheless, the total number of distinctions awarded will be the same as if they were assigned by group, but they may be distributed among all students based on a common criterion, regardless of the group to which they belong. The criteria for awarding "Matrícula de Honor" (Honours with Distinction) will be determined according to the guidelines stipulated by the professor responsible for the course, as detailed in the "Observations" section of the evaluation system in the course guide.
